

Hanut India: touch screen rack / kiosk

Hanut India manufactures rugged touch screen racks / information kiosk racks.

Hanut India touch screen racks have simple design, rugged construction and are available at low prices.

Kiosk shown above were manufactured for Indian Railways. The 17" touch screen monitor is kept in tilted easy to view and use position in the kiosk. Kiosk also features a mini door which allows quick access to keyboard and mouse.

Since company has expertise in designing and manufacturing precision sheet metal racks and cabinets, Hanut India can customize touch screen racks and also develop new kiosks as per customers' specifications.

Do contact us for your kiosk / touch screen rack requirements.
